* Cost of plaques and puzzles is subsidized by card orders, therefore parents must have a minimum accompanying order of cards

You **DO NOT PAY** any up-front costs to begin the fundraiser. We issue one invoice at the end of the fundraiser for cards/plaques ordered, administration fee, shipping and tax.

We do not handle any money. You collect and deposit all money into your school account.

Administration fee

We charge an administration fee because we scan and create custom sample cards for every student, whether they order or not.

Sample cards significantly increase your school profit.

Admin fee covers:

- Art sheets for every student to create their artwork on
- Shipping of your initial package
- Scanning of all artwork
- Samples for each student

Shipping

We provide shipping of initial supplies, you need to arrange shipping of the artwork to us and we add shipping of samples and shipping of your final order to your invoice.

Taxes

Taxes are charge on your final invoice. If you would like to add the tax to the cost of the cards to the parents to cover this expense please let us know when asked upon registration.
