

Teacher instructions

Thank you for participating in Art Cards by Kids school fundraiser. Below is information regarding the artwork your students are creating. Artwork will be turned into greeting cards parents can order. Student artwork on front/name and age on back.

- The painting/drawing will be reduced by 1/2 so small drawings will not transfer well. **NO HALLOWEEN ARTWORK please!**
- There is **border** on the card provided, please have the children **take their paint/felts etc outside of the border** for a nice clean line around the edge.
- The **brighter/bolder colours work best** (eg. paint, felts, bold pastels).
- Gluing of objects on the artwork is permitted as long as it is securely glued and is no thicker than 1/8" **NO glitter please.**
- **Horizontal or vertical** pictures are acceptable. **SEE THE ARROWS FOR DIRECTION ON ARTWORK SHEETS.**
- Please have the children **sign their artwork, first names only please.** Sign within the artwork, **not on or close to the border, OR THEIR NAME WILL GET CUT OFF. SEE DIAGRAM BELOW.**
