Remember - Your name will get cut off if you sign your artwork too close to the border

STEP 1

Print your name, age, teacher and grade in spaces provided at top of page.

Be sure to print: -Large -Clear -Use dark pen/felt

This is a HORIZONTAL picture so place your sheet in front of you in the proper direction with arrow facing up.

Remember - Your name will get cut off if you sign your artwork too close to the border

STEP 2

Using pastels color the background. Blue is where the polar bear will stand, colors in background are the sky.

Be sure to blend colors together.

We used 4 colors for the sky: yellow, orange, pink and dark purple.

White bond paper

STEP 3

Draw a polar bear with pencil on a white piece of 8.5" x 11" paper.

Add: Claws, Nose, Eye and Eyebrow and Smile using a sharpie or black marker

Cut: With scissors, cut out the polar bear just inside the pencil line.

STEP 4

Glue the polar bear onto the art sheet. Use liquid glue as glue stick will not stick to pastel well.

Sign your artwork (not too close to the border line) and you're all done!
