Remember - Your name will get cut off if you sign your artwork too close to the border

STEP 1

Print your name, age, teacher and grade in spaces provided at top of page.

Be sure to print: -Large -Clear -Use dark pen/felt

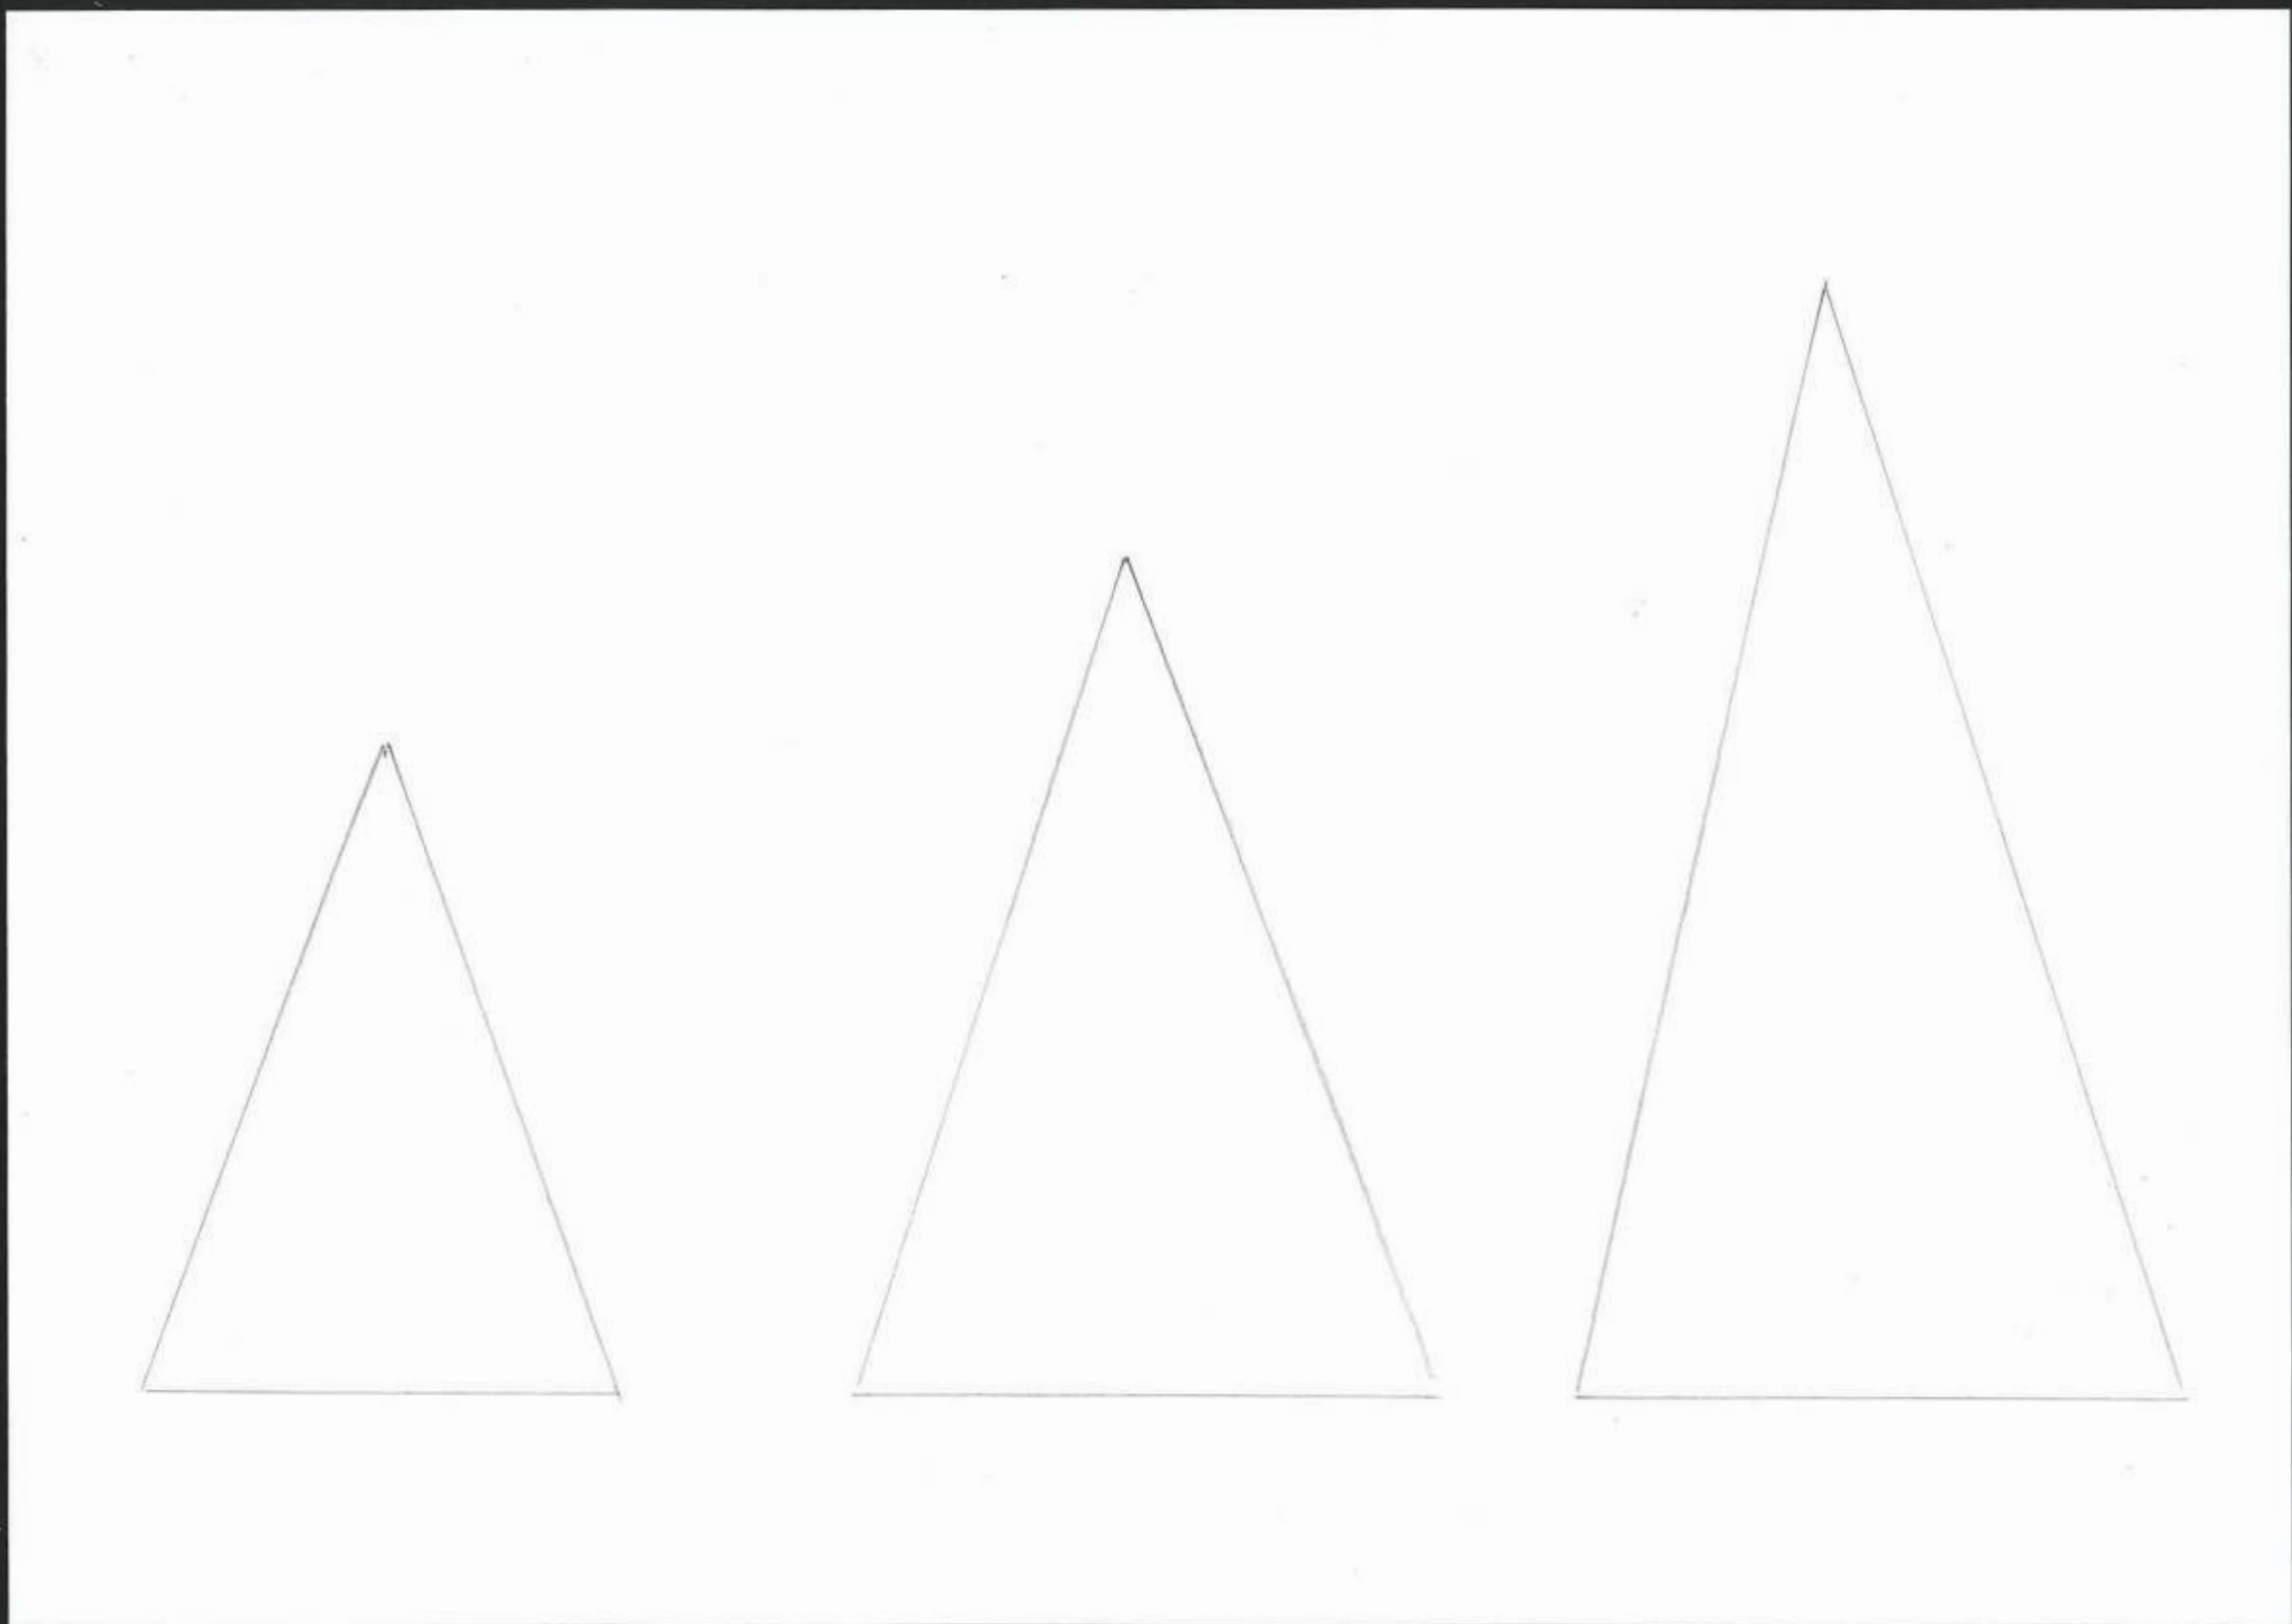

This is a HORIZONTAL picture so place your sheet in front of you in the proper direction with arrow facing up.

Remember - Your name will get cut off if you sign your artwork too close to the border

STEP 3

With a green bingo marker follow your pencil lines and fill in the triangle on each tree. Try to cover the pencil line.

Let dry...

STEP 4

Decorate your trees.

We used acrylic paint, dipped a Q tip in it and made simple dots but use your imagination!

Let dry...

STEP 5

Finish your drawing by adding people peeking out from behind the trees.

We used black sharpie and colored markers for hats and stars on the trees.

Sign your artwork (not too close to the border line) and you're all done!
