Art Cards by Kids is an exciting fundraising opportunity for elementary schools across North America. This high-profit artwork fundraiser brings creativity into the classroom in a fun, educational, and rewarding way for students, families, and teachers alike.

We created these step-by-step instructions and videos to help teachers in the classroom guide students in creating amazing artwork for the fundraiser. Videos can easily be projected or displayed in the classroom for students to watch with guidance from their teacher. Please make sure your school has registered already and you have received our specially sized custom art sheets from the coordinator at your school before starting. Happy artistry!
