Profit

Parents order and pay for their child's cards and other products online. After the fundraiser deadline we produce orders, issue a profit cheque to the school, and deliver all items together for distribution.

Create

Students create art in the classroom. Art is then sent back to us for processing. Sample cards are sent out to your school to be distributed to classrooms for parents to begin ordering.

Art Cards

Art Cards by Kids is an exciting fundraising opportunity for elementary schools. Students create artwork in the classroom on sheets provided by us that we transform into Art Cards and other products. Parents purchase their own child's cards with their art on the front and name and age on the back. Plaques, puzzles, ornaments, notebooks, and playing cards also available. Part of every sale goes toward the profit cheque the school receives from us at the end of the fundraiser.

We help bring art into the classroom in a fun, creative, and rewarding way. The fundraiser can be run in the spring or fall term, taking approximately 4-6 weeks to complete.
